

Houston Youth Walkout Expense Report

Location: Houston City Hall

Logistics Coordinator: Paolo Martinez

Fundraising Coordinator: Abigail Eastman

Budget: \$1930

Money Spent: \$1633

Over/Under Budget: \$297

Notes:

- Gofundme takes a percentage away from our funds. That is why we ended up with \$1929.67 (rounded up to \$1930).
- Texas Waste Co, two separate payments because of daily purchasing limit.
- All expenses rounded to the nearest dollar.
- Bellaire HS and Chavez HS were the only two schools that required buses.
- All purchases were made through Paolo Martinez, Abby Eastman, and Alexis Ruiz.

Summary:

The Houston Youth Walkout was publicly funded by the people of Houston, with absolutely no funding from any corporation or non-profit. We raised all of our funds through gofundme, and used our two coordinators (Paolo Martinez and Abigail Eastman) to withdraw the funds, as this event was completely student-led. Most purchases were done through Paolo's debit card or through cash. There are receipts for all purchases except for the three dollar parking fee. In regards to the leftover funds, initially we were planning on donating it to an organization that supports our message. However, we are now pursuing the goal of creating a nonprofit. We will be using the leftover funds to pursue our goal of inspiring political activism in the Houston Youth. If there are any questions regarding purchases please contact us via email at houstonyouthwalkout@gmail.com
